To Whom It May Concern

I am writing to wholeheartedly recommend Qunoot Ahmed, a highly talented and dedicated student who completed her Bachelor's Degree in CS IT at NED ([March 2015](#)), Batch 2010-2011, with Seat number CT-10021. It is with great pleasure that I endorse her application for the Master's program in Germany.

During her time at NED University, Qunoot consistently demonstrated exceptional academic abilities and a deep passion for information security. Her enthusiasm for the subject matter was evident in her active participation in class discussions, insightful contributions to group projects, and outstanding performance in examinations. Qunoot's analytical skills, coupled with her ability to think critically, make her a standout candidate for any academic pursuit.

What truly sets Qunoot apart, however, is her unyielding commitment to her work and her peers. She exhibited strong leadership qualities when she spearheaded a team project on cybersecurity protocols, showcasing her ability to motivate and guide her peers effectively. Her excellent communication skills and collaborative nature were instrumental in creating a positive and productive learning environment.

Furthermore, Qunoot is not only intellectually gifted but also possesses a strong sense of social responsibility. She has actively volunteered in community outreach programs, demonstrating her dedication to using her skills for the betterment of society. Her compassion, coupled with her technical acumen, makes her a well-rounded and admirable individual.

Qunoot's pursuit of higher education in Germany aligns perfectly with her aspirations and capabilities. I have no doubt that she will excel in any program she undertakes, and her presence will undoubtedly enrich the academic community and her fellow students.

I wholeheartedly recommend Qunoot Ahmed for admission into the Master's program in Germany without any reservations. If you require any further information, please do not hesitate to contact me.

Thank you for considering Qunoot's application. I am confident that she will make significant contributions to your esteemed institution.

Dr. Waseemullah

Assistant Professor, CS&IT Department,
NED University of Engineering and Technology, Karachi.
